

readFile.h

```
graph BT; application_h[application.h] --> readFile_h[readFile.h];
```

A diagram illustrating a file dependency. At the bottom is a white rectangular box with a black border containing the text 'application.h'. A vertical blue arrow points upwards from the top center of this box to the bottom center of a gray rectangular box with a black border at the top, which contains the text 'readFile.h'.

application.h
